Dear Misty,

I hope you are doing well. I installed wordpress on the main oldla.org as requested and will transfer the SquareSpace page to the wordpress website to save tax payers money.

In order to complete this process I need to login to the SquareSpace page.

Please send me the corresponding credentials so that I may complete this process today.

I understand that the email on the account is [Mistyli@aol.com](mailto:Mistyli@aol.com) but the password I have is no longer valid.  
Please send asap.

Best Wishes,

Gustavo
